## EDUCATION

### Bachelor of Engineering in Computer Science Institute of Engineering and Technology ,IET DAVV

11/2020 - Present

Indore, India

### Higher Scondary School Certificate SSR Higher Secondary School

05/2017 - 03/2019

Percentage: 85.6

### High School Certificate Saket MGM Senior Secondary School

03/2010 - 03/2017

CGPA: 10

## PERSONAL PROJECTS

### Weather App (01/2023 - 02/2023) [🔗](#)

- Developed a weather application utilizing React.js and OpenWeatherMap API.
- Designed an intuitive user interface to display real-time weather data, including temperature, humidity, and forecasts.
- Implemented API integration and responsive design principles to enhance the user experience.

### Movie Info App (03/2023 - 04/2023) [🔗](#)

- Created a movie info application using React.js and the OMDB API.
- Designed an interactive interface that allows users to search for movies and retrieve detailed information, such as ratings, plot summaries, and cast members.
- Implemented API integration and responsive design to provide a seamless and user-friendly movie browsing experience.

### Memories CRUD Application (04/2023 - Present) [🔗](#)

- Developed a CRUD application called "Memories" using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Users can add memories in the form of photos and include a brief description.
- Currently working on implementing user authentication to enhance data security and user privacy.
- Applied RESTful API principles and utilized React components for an intuitive and interactive user interface.

## SKILLS

C/C++

HTML

CSS

JavaScript

Problem Solving

Data Structures and Algorithms

React.js

Node.js

Express.js

MongoDB

SQL

## ACHIEVEMENTS

Solved 800+ data structures and algorithm questions across different platforms

Institute rank 7 on gfg for solving DSA problems

Scored 97.98 percentile among 11 lakh+ candidates in JEE Mains 2020

## ORGANIZATIONS

### NSS Volunteer (01/2023 - Present)

Engaged in community service and social welfare activities, collaborating with local communities to address their needs.

### Feedbox Club (01/2021 - Present)

Played an integral role in an institute-level startup called Feedbox, specializing in digital marketing strategies and solutions. Collaborated with a team of entrepreneurs to develop innovative marketing campaigns.
